Dear Paul:

Before we had taken any action to notify George C. Lueck or the Scout officials at St. Thomas Catholic School regarding his conditional registration, a recent involvement with another boy came to light.

Enclosed is a copy of a letter received from a Scouter from that Parish who is currently Chairman of the Milwaukee Catholic Committee on Scouting. He and other individuals want to keep this further information confidential and in light of Mr. Lueck's previous conviction, this should be all we need to prevent any further registration in the Boy Scouts of America.

Please take steps to record this information and cancel the registration with Troop 103. I am returning the registration card and you may make a refund of the registration fee to us and I will see that it is returned to Mr. Lueck.

I hope you can remove his name from all records with the National Council so there will be no danger of his receiving any communications or mail from the Boy Scouts of America.

We are sorry this matter has taken this turn, but feel fortunate that your letter of May 30, 1975 was not shared with anyone at this end.

Very sincerely yours,

Dear Mr. Merry,

In regards to the work I have been doing to help George Lueck regain his status in scouting, I find now that his original problem has not been cured. He has been involved with an 11 year old boy.

In talking with the boy, and his parents that they are unwilling to press charges but the boy has admitted to his parents and me that he has been involved with Mr. Lueck.

It seems that after 12 years of working to get Mr. Lueck reinstated in scouting has been in vain.

Thank you

Dear Paul:

Since May of 1974, we have been talking with George C. Lueck regarding the possibility of his being considered for registration in the Boy Scouts of America. Your correspondence on this matter was dated May 22, 1974.

On July 31, 1963 Lueck was convicted in Milwaukee County for indecent behavior with a child and has been in the Confidential File since that time.

Our Council Officers have reviewed all material that we were able to acquire, but have not met Mr. Lueck personally or held any type of hearing regarding this matter. Their attitude has been that if the Governor of Wisconsin would grant clemency and restore all privileges of citizenship to Lueck, then his re-registration in Scouting might be considered. Enclosed is a copy of a letter and a copy of the Executive Clemency which has now been granted.

We are now at a loss as to how to proceed.

I am taking this course of action. Enclosed is an application from Mr. Lueck to be the Assistant Scoutmaster of Troop 103 sponsored by St. Thomas Aquinas Catholic School and Holy Name Society, 1968 North 36 Street, Milwaukee, Wisconsin 53208. This application has been approved by Father Eugene S. Pocernich.

Mr. Lueck apparently has the complete approval of this sponsoring institution and its Scout Committee who would be willing to support his request if given the opportunity.

Reference is made to your recent inquiry as to your arrest record. Our files indicate that you have the following arrest record with this Department:

- 11-23-69 Obstruct an Officer - \$37.00 total or 10 days Co Jail on 11-24-69

Behavior with a Minor, and was sentenced to the  
Wisconsin State Reformatory for a term of 3-1/2 years.
2. That the District Attorney in and for Milwaukee County  
was William McCauley, now deceased.
3. That the facts and reasons upon which this application  
is based are as follows:

I was paroled in January, 1965, and for the past nine years  
I have been in the situation where I have been deprived of  
bettering myself with working conditions. In the past, I  
have been hired and then terminated due to my past record.

I have lost my home and family for it has been nothing  
but disappointments due to this mishap. I have tried to  
better myself by living a clean and better life. I feel  
I have paid my debt to society in more than one way. If  
this one mistake I made was severed from the records, I  
could then better myself with the people and society I live  
within.

Just one example for instance. I was forced to leave the  
state of Wisconsin due to working conditions. I moved to  
California to try and better myself only to find due to the  
past record I was denied a job with Lockheed Air Craft. I  
worked there for one month and was then terminated. At the  
same time I was also denied the chance of becoming a member  
of the Moose Organization. I find it hard to believe this  
should be so, but it has been this way since my misfortune.

I am now in debt because of not being able to hold a good  
steady job. I have lost everything I have been working for  
in the past seven years. I have looked over my past, and  
if it were not for this one mistake, I would still have my  
family, home and a better position than I now have.
